### **Academic Employment:**

Febr 2007-present	ICREA Research professor at Universitat Pompeu Fabra (similar to distinguished professor or chaired professor in the Anglo-American universities)
Sept 2006-August 2008	7 months visiting associate professor at HSS Caltech, Pasadena
Febr-March 2006	Visiting professor at CES - Munich
March 2006-Jan 2007	Full professor at Universitat Pompeu Fabra
March 2002 –February 2006	Associate professor at Universitat Pompeu Fabra
Sept.1995 - Febr. 2002:	Assistant professor, Department of Economics and Business, Universitat Pompeu Fabra, Barcelona
Sept.1994 - May 1995:	Postdoctoral Fellow in the University of Pittsburgh with Al Roth
July 1991 - Aug. 1994:	Research Fellow in the Institute of Prof. R. Selten, University of Bonn
Sept 1990 - Dec. 1990:	Teaching assistant at the London School of Economics, London.
Mar. 1989 - Sept.1989:	Research Fellow in the Institut of Prof. R. Tietz, University of Frankfurt

### **University Education:**

1989-1994	University of Bonn: European Doctoral Program, PhD in Economics, "Reasoning and Learning in Guessing Games and Ultimatum Games with Incomplete Information," Dissertation, 1994, advisor: R. Selten
1990/1991	Academic Year at London School of Economics, London (England), Advisor: Ken Binmore
1989	University of Bonn, Diploma in Economics (Diplomvolkswirtin) Diploma thesis "Learning Theories on 2x2-Games," advisor: R. Selten
1985	University of Passau, Bachelor (Vordiplom) in Economics

### **Fields of Interest:**

Experimental Economics (especially macro experiments), Behavioral Economics, Neuro-economics, Game Theory, Industrial Organization, Negotiation, Geno-economics

## Fellowships and Grants:

- 2009-2012 Dirección General de Investigación Científica y Técnica, principle investigator
- 2006-2009 Dirección General de Investigación Científica y Técnica SEJ2005-08391, principle investigator
- 2005-2008: Human Frontier Science Program Organization (for life science and physics) with Sirigu Angela (Bron-Lyon, CNRS, cognitive science), Duhamel Jean-René (Bron-Lyon, cognitive science), Colin Camerer (Caltech). Each group offered one postdoc position. Exchange of postdocs for formation in economics and neuro science.

## Teaching:

### 1. Experimental Economic courses:

- 2009: Lecture on Neuro economics in Bcvt 2009 (Barcelona cognition, brain and technology summer school) <http://iua.upf.edu/bcvt09/>  
Lecture on Neuro economics in Bilgi University (Istanbul) in the economics graduate program,  
Lecture on Neuro economics and field experiments in summer school in Kosc University (Istanbul)
- 2008: Lecture on “Neuro economics” in Chengdu, Southwest Jiaotong University, University, 3<sup>rd</sup> Sino – German Summer School, organized by DFG and Bonn Laboratory.  
Lecture on “Beauty Contest in the Brain: the Neural Basis of Strategic Thinking” in Psychology depart. Universitat de Barcelona
- 2007, 2008, 2009: One week Leex summer school in macro experimental economics with John Duffy (University of Pittsburg) and Frank Heinemann (TU-Berlin)
- 2006 Lecture on Neuro-economics and on Coordination in CES-IFO Munich
- 2003: “*Limited Reasoning in Beauty Contest Games – An Introduction of Experimental Economics and Game Theory*” in the course “The Social Brain or Social Construction of the Reality?” organized by Juan Vicente Sánchez Andrés, professor of physiology in the University of La Laguna, for the PROGRAMA IBEROAMERICANO DE DOCTORADO EN NEUROCIENCIAS (director Jose María Delgado García, professor of physiology) in the University Pablo de Olavide, Sevilla (12-13 de Mayo, 2003).
- 2002: Two week course on "Game Theory and Human Behavior" for highschool students, organized by Deutsche Schueler Akademie. Grovesmuehle July 2002 with Christoph Poeppe with student presentations published in *Spektrum der Wissenschaft* (German issue of Scientific American) *Spezial Wissenschaft online*.  
[http://www.wissenschaft-online.de/page/page\\_super?article\\_id=606408](http://www.wissenschaft-online.de/page/page_super?article_id=606408)
- 2001: Lectures on Beauty Contest Game experiments and Coordination Games in Summer School Trento, organizer James Friedman
- 2000 Two weeks instructor on experimental projects in group sessions in [BEaST](#) (Barcelona-Bellaterra-Experimental Economcis Summer School Two Thousand) in Universitat Pompeu Fabra  
One week course on Experimental Economics in Universidad del Pais Vasco-Euskal  
Lecture on Coordination and Bargaining in the summer school on experimental economics in GATE - Groupe d'Analyse et de Theorie Economique, Universite Lumiere Lyon 2
- 1999 One week course on Experimental Economics in Bogazici University (Istanbul)

### 2. Graduate Courses:

- Universitat Pompeu Fabra,*
- 1995-present Experimental Economics (in English)
- 2004-2007 Experimental design in Research Methods for Management and Social Sciences (with Matthias Kipping, Michael Greenacre & Albert Satorra)
- 1995 *University of Pittsburgh:* Experimental Economics (with Al Roth)

### 3. MBA courses:

- MBA Universitat Pompeu Fabra*
- 2005-present Negotiation
- 2003 Decision Making and Negotiation together with Robin Hogarth

### 4. Courses for “Business”:

2005 Muenchner Rueck workshop: "Strategic Behavior in Theory and Experiments"  
2007 UnitCredit-Hypovereinsbank: "Trading Environments in the Laboratory"

### 5. Undergraduate Courses:

*Universitat Pompeu Fabra:*  
2009 Introduction to economics (teaching competitive markets in theory and through participation in experiments): very recommendable!!!!  
1996-present Experimental Economics  
1996-2004 Decision Theory and Strategies (in English and Spanish),  
Teoria Economia II (in English and Spanish) (1997-1999),  
International Trade (1996)  
1991-1993: *University of Bonn:*  
Experimental Economics, Game theory (seminars),  
*Teaching assistant:* Price Theory, International Trade  
1990-1991: *London School of Economics:*  
*Teaching assistant:* International Trade  
1989: *University of Frankfurt, Seminar:* Principles of Macroeconomics

### Other Activities:

1. Organization (with Axel Ockenfels) of workshop "Experimental Economics Across Fields (Speakers: John Nash (Princeton University), Reinhard Selten (University of Bonn), Rosemarie Nagel, Axel Ockenfels (University of Cologne), 2007
2. Organization and Lecturing in first and second LeeX Summer School in Macro Experimental Economics (with John Duffy, University of Pittsburgh, Frank Heinemann, TU-Berlin). (June 2007 and June 2008)
3. Organization of Debate on Pros and Cons of "Mindless Economics" with Aldo Rusticini and Wolfgang Pesendorfer as "Opponents", May 2007.
4. Organization of "First annual group meeting of HSFP-award" in UPF, Barcelona, 2005
5. Organization of installation of electronic recruitment system ORSEE for the LeeX (with my research assistant Añiol Llorente) 2004
6. Vize-director of Department of Economics and Business in UPF, Oct 2002-Oct 2004..
7. Organizer of the international workshop on "Coordination, Incomplete Information, and Iterated Dominance: Theory and Empiricists (CIII-TE)," 2002 in Universitat Pompeu Fabra, Barcelona (with Antonio Cabrales, Colin Camerer (Caltech), and Stephen Morris (Yale)).
8. Organizer of a workshop on "Learning in Theory and Experiments" (with Nick Vriend, UPF) in the Universitat Pompeu Fabra, January 1997.
9. Organizer of "Barcelona Conference on Auctions: Theory and Empirics" (with Antoni Bosch (UPF), John Kagel (University of Pittsburgh) and John Ledyard (Caltech) in the Universitat Pompeu Fabra, June 1996.

### Other:

(daily) languages: German, English, Spanish, (French, Catalan)  
Other languages studied: Latin, Ancient Greek, Japanese, Esperanto

Musical instruments: Violin, Viola
